Statement

Deputy Crow, arrested my disabled mother and beat her in the back and shoulders. Threw her out of her vehicle as she was complying with his order. Then shoved her into pickup that she couldn't get in due to her legs. He then refused to help her medically when she fell in the jail cell. He refused her medical attention and ordered hospital personal to let my mother fall and hit her head and neck. Made various statements about how he wished I would die from my seizures.
