Statement

Would not give me a complaint number for the rape I reported. When I called back, dispatch blocked me from speaking to him. Ne dispatch person went so dar as to say that no one by that name worked here (even though it popped up here on the Brady List with badge number.

The man I allege assaulted me in Roper St. Francis is a radiology tech from Africa. People in downtown Charleston who are students who get in by affluence know how to keep from answering for what they do here. I am trying not to have to give my report multiple times. The insensitivity (bordering on collusive) of officer Fetter needs to be addressed.
