Shortly before 2 a.m., police responded to a report of a domestic shooting at a home near Southwest 29th Street and Sara Road. A news release states that officers found a woman who appeared to have been shot to death inside the home.

The Oklahoma City Police Department identified the victim as Jordan Cannon, 40.

Police also found the suspect, 41-year-old Vaughn Cannon, still at the scene. He was taken into custody and booked into the Canadian County Jail on a murder complaint.

Police department officials confirmed to KOCO 5 that the two were married. Authorities also confirmed that they were both Cleveland County deputies.

The news release says investigators learned that the two were involved in a heated argument when Vaughn Cannon shot and killed Jordan Cannon.

The Oklahoma City Police Department is investigating the case.
