NORMAN, Okla. - The Oklahoma Highway Patrol has identified a trooper who shot a teenager while responding to a call about a reported road rage incident on Interstate 35 in Norman.

The OHP said Monday that 37-year-old Trooper Joseph Kimmons shot the juvenile on Sunday after the teenager became combative and started fighting with Kimmons. Trooper Betsy Randolph says when officers arrived to the reported road rage incident that three teenagers were on top of a woman's car, kicking and hitting the doors.

Randolph says the teenager remains hospitalized in good condition and that Kimmons was treated at the scene for minor injuries.

Randolph says Kimmons is a 14-year-veteran of the OHP and is on paid leave pending an investigation into the shooting.

The teenager's name has not been released.
