In re: Giglio determination for Seminole County Sheriff's Department Investigator Christopher Perteet, Sr.

Sheriff Louie:

Pursuant to *Giglio v. United States*, 405 U.S. 150 (1972), the United States is obligated to produce information to a defendant which may be used to impeach a government witness' testimony in a criminal trial. In that vein, it has come to the attention of this office that Seminole County Sheriff's Department Investigator Christopher Perteet, Sr. was terminated from the District 22 District Attorney's Office in January 2024 for misconduct including theft of controlled dangerous substance evidence, mishandling of controlled dangerous substance evidence, illegal drug use, and inconsistent statements concerning illegal drug use. The termination bears on Perteet, Sr.'s credibility. Consequently, in all future cases in which Perteet, Sr. is endorsed as a government witness, the United States is required to notify the defendant of the memorandum.

Should you have questions regarding this matter, please do not hesitate to contact me.

Sincerely,

CHRISTOPHER J. WILSON
United States Attorney
