Subject: Issues with Son's Arrest by Kentucky AG
Date: Thu, Mar 26, 2020 10:20 am

Department of Justice
 Civil Rights Division
 Washington, DC

My name is John Zulawski and this is in reference to my Son Sgt Zulawski Daniel J US Army. As i am not a lawyer, I am Fire fighter/paramedic and an Investigator, A Fire Investigator, and there's no Difference in what a Criminal Investigator does, Versus's a Fire Investigator, we both look at possible crimes, evidence, statements crime scenes and pictures we collect, and evaluate evidence, we are both Proactive and Reactive, and this is my evaluation of said incident. My son may have made a mistake, looking for a date on Internet but hind sight is 20/20. he thought initially a date, but found a more pressing matter. he thought he could fix with his EMS/Fire and military training,, you know an Army of 1.

These are some of the items. that were missed, not looked into, denied or simply put as we cant fight it.. After my sons arrest for answering Ad on Craigslist with no mention of children in an Adults only section W4MW. and a Crime he tried to stop.

And also After initial Lawyer Mr Flynn was told when asked for evidence Frankfort ADA reported We need more time We lost some Evidence.. Allegedly Body cam Evidence catching complete arrest was "lost". as well as other evidence. Also of Note US Attorneys office also Stated they lost evidence too, making a 3 month wait for initial discovery from their office.

1) Violation of civil rights #6 right to a speedy trail. in Frankfort his was denied a speedy trail within 70 days after arrest . case was handed over to US Atty For federal charges 4 mos after arrest. When State Investigator and Frankfort Ass't District Attorney heard If case went to trial, Investigator will Be arrested for perjury and charged, 3 weeks later case turned over for Federal trial.

Violation of Civil rights * 8 , excessive bail. initial Bond was \$11,000, \$1,100.. increased to \$50,000. unreasonable bail.

2) Investigator Heather D'hondt committed perjury when she stated she saw arrest through a closed door yet stated she saw DJ " blade like reaching for weapon, and backed up Officers report of same, but he had a Drink in his hand,, and no other officers on take down team saw it or reported it. But they stacked charges of initial arrest from 1 charge to 2 to 4, stating it happened over 2 days.. How can you see thru a closed door?

Selective Prosecution, Others arrested with him 1 charge only, but allegedly 2 victims. and their bails were all LOWERED and they made bail and had criminal records, but his Charges increased to 4 counts of soliciting and is the only case sent Federal, Again Body Camera Evidence was "lost"

3) Police Brutality. Violation of 34 USC 12601 " Police Misconduct Provision" DJ was kicked in the Groin and beaten by Ofc Kevin Keith while hands were up and holding a drink in Right Hand, They report my son Allegedly " Bladed" and Add'l Charges of Resisting arrest and menacing were added., His hands were up and the military doesn't blade when reaching for their side arms. He was arrested outside of hotel room and never knocked or made entry to room as reported in court.

Violation of 18 USC 241, 242 " Under color of Law Excessive force. and Intentional Fabrication of Evidence" 4 other officers in take down team never saw it or testified to it in court, and if it did happen why they didn't "stack" 4 more counts of Menacing against [him](#) as they stacked additional charges for the soliciting.

Also During Questioning DJ began having anxiety event and yet they continued to question him and not obtain medical attention for him, questioning someone who maybe Hypoxic from lack of oxygen due to hyperventilation, and using statements against them while they're not thinking correctly?? Also having Multiple people asking questions at same time leading to an answer for previous question to be used for just asked question, I believe the term is called Blitz questioning.

4) During grand jury testimony SI Investigator testified to same as above and it was in Her arrest report DJ " wanted sex with the children " Not in any report she filed or since. why didn't other officers Testify to Grand Jury. Violations of Title 18 USC 241, 242 Fabrication of evidence.

5) Stated to grand jury when asked question about special condoms would prove intent,,, She Replied Umm Yes, But NO condoms found on him or in his wallet or vehicle. And no follow up questions asked like were any found..??? By Frankfort ADA Becker. But a week later, when during search of vehicle by herself, Investigator D'Hondt found some on passenger floor when she searched Vehicle by herself. And as noted from Evidence Pictures, some cigarette pack Camels was found that my son doesn't smoke,,, Was someone in vehicle before she arrived.

Also stated there was Child pornography found on his home computer. But How could she state that when the CID Investigators didn't Collect Evidence from his home till day AFTER Grand Jury Hearing, again she committed perjury and violated Title 18 USC 241, 241 and 18 USC 1505 She Knowingly Lied stating there was porn on computer.. NO CHILD PORN FOUND ON ANYTHING.

6) During bail hearing for reduction she spoke with Prosecutor to increase DJ's Bail from \$11,000 (\$1,100) to \$50,000 cash. Again violated 18 USC 245 Civil Rights #8 his rights to reasonable bail. He's in the army makes 2500-3000 a month. Everyone else's bail reduced, Also states she spoke with DJ's SGT impossible because he just arrived in court moments before me, and stated he didn't speak with anyone, he just got there, and he sat to my Right and behind me, and I never saw anyone approach him or speak to him and she never had the time because we all left together.

7) 3-4 people searched truck nigh of arrest and yet no one found any condoms, and SI reports she found gun and cuffs,, Who actually found them? and 1 week later during her search of vehicle in tow lot, while searching vehicle alone 1st piece evidence found we're condoms on passenger side floor,, date time shows she went straight for condoms like she knew they were there, Doesn't fit Standard practice of searching vehicle from drivers side. Why weren't they found on initial search with so many people searching truck. and why 1 week later did she choose to do it then after Grand Jury Hearing. also from pictures she took, she moved and manipulated evidence, and destroyed " crime scene" by clearing the " Evidence Scene"
But they Found His Gun and Flex Cuffs Military issued. 1 week earlier. If according to ICAC she's Primary investigator ,why is she asking questions of my son and yet still searching vehicle for evidence.

8) SI D'hont violated Federal Statue by asking US army to seize evidence and speak with people/family on base. Violated Posse Comitatus Act ,18 USC 1385, By asking them to secure computers, electronic equipment and speak with wife/family. She also Committed Perjury on search warrant with initial warrant to military for " solicitation:" charges. Only active charge military would get involved with due to Violation of UCMJ. And then after equipment was seized added 2nd warrant for " solicitation of minor, and Child Pornography" Knowing Completely there was no child porn found but opened door for phone. Violation of Title 18 USC 241, 242 and Violation of civil Rights #4,

9) SI D'hondt also lied to state judge for search warrant for phone found on base Stating " she heard phone calls Stating any evidence would be found on old phones, and Additionally and again Lied when she stated also She heard phone call between DJ's wife and him when she told him about other phone " he freaked out and began yelling" there was NO reply from DJ . Violation of Title 18 USC 214, 242 Intentional Fabrication of Evidence" recording heard before court and during trial NO such words were Uttered. The phone in question, he hasn't used in months that last time he saw it was in night stand but miraculously found in a locked gun cabinet with weapons that weren't initially in there according to his wife, and Shotgun and pistol that wife reports were in bedroom. How Did Phone and weapons" appear together in locked Case?

10) SI D'hondt violated ICAC in its entirety, Federal Statue 34 USC 21111 and 34 USC 21114. when placing ad on Craigslist violating Craigslist TOS agreement , she was 1st to bring up kids and Controlled entire conversation. she made point to pick time date place and Not once was the Word SEX used anywhere. He wasn't controlling or directing conversation at all. He used his training to get her to talk and " Hook" her to get more information , Again never was 1 word about " SEX" used in an Adults only section chat.. Unusual don't you think and she admitted in court she "pushed things because she didn't want to be talking to people all day" and again Violations of

11) During suppression hearing in Lexington, she stated she Rushed investigation because she didn't want to be talking to people all day, added she wasn't Primary investigator But as required by ICAC she is and her name is on every warrant and statement..

Also CID investigator Hedden Didn't do any actual investigation but read reports and he testified on trial. Also of noted when US Atty asked D'hondt where she was during arrest stated " I was in the Area" she again lied committed perjury, mislead jury and judge and didn't state Behind a closed door. Vague but still lied to US Atty, leading to Obstruction of Justice 18 USC 1505

12) During Federal Trial SI D'hondt again stated similar report how DJ answered Ad but didn't state He replied to Ad in Adults only section and there was no mention of kids in add, but she Replied 4 Hrs later . and not 1 word made by him requesting Children or sex even mentioned. Unusual given that its adults only area in an " Adult subject matter " conversation. Strange not to have a sexual conversation in a sex chat with another adult.

13) During trial CID investigator testified DJ's Phone was perfect match to conversations made to a minor.. She lied, nothing in DJ's Chats Matched the ones they had.

14) CID and State AG as well as US Atty Knew of other person called " Matt " and tried to use that material against DJ without letting His atty know until days before trial. Violation of 18 USC 1505 Violation of Title 18 USC 241 , 242 Under Color of Law.

15) State and US Atty had copies of DJ's Phone Conversations But slowly gave Evidence to lawyer even after initial request was mad 18 mos earlier. and when that happened Extensions were requested every 3 mos due to slow Discovery

Exchange violating his Right to speedy trial ,but covered up by them forcing extensions. also it took 2 yrs to get Report done by State witness who downloaded phone. within Days of Getting said Electronics and again NO Child Porn as stated by Investigator D'hondt violating 34 USC 12601 , Title 18 USC 214,242 Under Color of Law., 18 USC 1505 Obstruction of Justice. 42 USC 14141 Violation of civil rights. Pattern and Practice.

16) During Closing Arguments US Atty Monahan made statement profiling DJ's Sexual orientation " He would have sex with other men, what makes you think he wouldn't have sex with kids is missing from Transcripts. As is Judges Instructions to Jury about " the Scales of Justice are equal" also missing. i know what I heard as did DJ.and other witness.,

There are other things amiss here but my mind is racing and my anger at the Judicial System and its flaws are rampant. I'm using the word Lied, It Should be She committed " perjury" but in Kentucky i guess they don't use that word,, only in DC. State Investigator D'Hondt has a pattern of violating Civil Rights with noted cases being held in Federal Courts in Kentucky.

Also he reported 2 yrs earlier his Facebook account was hacked and other people finding his pictures all over the "net" as well as other Accounts with his pictures. The US Army was told and they knew about the issue and posted on their web site they were looking into it.

Also while incarcerated some one using an account with his pictures was talking to people DJ knew and his atty was notified, even still while locked up his Credit card and License was used 3 x's in Nashville TN and his lawyer was notified, but we were told out of jurisdiction. not important. Even still while looking up anything with his likeness found accounts with adult only content, some one looking at profiles and liking their pictures,, hmm he's in jail and this is happening still. and he doesn't have access to Internet

Now is Sentencing case has been held up 2 more months now due in March 2020 sometime. My son used his Military Training to seek out information about what he believed was a trafficking incident and he tried to stop it, He is/was trained in stopping trafficking.READ the transcripts he was ASKING questions and getting intel not making plans for sex, he was setting a "hook" so he could talk person out of hurting their children.

He Didn't Do anything Wrong, Investigator D'Hondt with 3 mos experience as State investigator made fatal mistakes and violated state and Federal Statue. The Frankfort ADA knows, the Kentucky AG office knows and the US Atty General for Ky knows , I can prove Every one of these incidents. My son Sgt Zulawski Daniel J US Army has been in jail for over 2 years, and only got his court hearing in November 2019.. almost 18 months after arrest.

Also this information has been sent to FBI office in Frankfort Ky over 16 mos ago and to Dept of Justice via Internet " Contact US" page, but not to this Huge Extent and of Course I Haven't Received any contact back from Anyone,, I Know Everyone is Busy. But my son needs help,, Fast
This letter is a fathers attempt to save his son and in no way meant to Obstruct Justice, Just exercising my 1st Amendment rights

Please look into this matter, And Send to Appropriate Division,I Can be Reached at Email co2rescue@aol.com or phone 203-627-7309 24 hrs

Attn: U.S Attorney, Robert Duncan

Dear Mr. Duncan

I'm writing this letter because I can no longer stand by and watch the incredible illegal prosecution of my son Sgt Zulawski, Daniel J, US Army, 8 yrs. service, 2 tours in Afghanistan. You have inherited a case that was brought on After the incredible Illegal and very questionable evidence, that includes , lost evidence, Perjury by State investigator, Prosecutor Misconduct, Evidence manipulated and destroyed, Violations of State and Federal Statues, Statements made that couldn't possibly have Happened, and Search warrants applied for after Investigator Mislead Judges

My name is John Zulawski, I'm Daniel's Father and before you toss this letter in the garbage or dismiss this letter,, please at least give me the platform to express my displeasure in his being prosecuted by your office, under 18 US CODE 2422B COERCION and due the immense ILLEGAL actions that brought his case to your office from the Kentucky Atty Generals office via SI Heather D'hondt with the Kentucky AG office and the City of Frankfort, KY.

It may be important to noted that this investigator of 6 yrs. in law enforcement 2 yrs. as jailer, 2 as Dep Sherriff and 2 as Frankfort police officer, committed Entrapment because SHE contacted him 3-4 times over 2 days down a mirade of avenues in terms of email, text craigslist add, kik and messaging apps. Also with the Craigslist add posted she knowing violated the Terms of service (TOS) and knowingly would commit a crime by placing the false add in adults only section and then doing bait and switch

As you may or may not know sir, is my son was arrested in Frankfort KY on January 17, 2018 after answering an add on dating site,, speaking with a 30 y/o female, without going into everything again, my son was arrested and charged with,

- 1 count of use of electronic means to procure a minor,
- 2 Resisting Arrest
- 3 Menacing

It was reported there was body cams capturing everything including my sons "confession"

He didn't go there to have sex with children as reported in officer's statement, he went there to save children from being trafficked and abused. As he told the investigators.

While awaiting discovery with former lawyer it was noted after 3 mos. "the state of Kentucky Lost evidence" but when asked for body camera evidence we were told it was lost.

Sir, here's where it get interesting,, your charging my son Federally on charges that shouldn't have even been brought due to the states incredible injustice , very illegal activities by the investigator. This whole case could have been cleared up or no indictment if prosecutor asked 1 more question in reference to condoms, Case in point

During Grand jury testimony Investigator D'hondt states "she closed the door when subject walked up to the door" but states she saw the arrest and everything happen including "subject Bladed as if reaching for a weapon"

How can she see that if door is closed, investigator lied, She committed perjury!!!! Also in terms of statement referring to blading. That was made by Officer Keith FPD, who reported in his arrest report, subject bladed as if reaching for weapon" She testified to that incident when she couldn't have seen it, and he never testified to it in Grand Jury Testimony. Also of note if there were 3-4 detailed personnel involved in take down, why didn't any of them see it and report it?, Why didn't Ofc Keith testify to Grand Jury.

Also she stated child porn was found on his computer, again she lied to the grand Jury, no Child porn was found on his computer

Grand jury participant asked question "if the special condoms were found that would show intent, correct?" her answer umm yea. Extra question that should have been asked "Were there any condoms found? So no special condoms no intent!

Did the Prosecutor commit Prosecutor misconduct, of knowingly not ask follow up question

NO!! no condoms no money found on him or in his wallet or in his truck during search of vehicle that night, They did find McDonalds food, a black Glock 9mm, of which he has a permit, they found flex cuffs off his war belt,, he is in the Army with 2 tours in Afghanistan Question if he was intending to stay as they conclude,, why leave McDonalds food and leave it in the truck

Interestingly enough 1 week later investigator searching truck alone, with "Probable cause" after 1 week, no Search warrant until she "found evidence" did she apply for one and did manage to find condoms. On right side floor board. Hmm last question grand jury asks is 1st piece of evidence found in a VERY unusual location. Why weren't they found that night?

In reference to her evidence log it was the 1st piece of evidence logged but last piece of evidence photographed! Though no photo log showing times of pictures first taken it's noted she started her search on driver's side, but she found this item 1st. on passenger side floor boards as noted by evidence log. Also her search pattern and evidence gathering has no logical order or methodology of reason in terms of pattern. Also she was noted to be taking "subjective evidence photos" for her log. Note no mention of medication bottles or type of medication, no reference to ammo clips found in back seat.

But something important should be noted from this as well. My sons smoke Marlboro or lucky strike Cigarettes, Looking through photos there's a pack of Camel menthol Cigarettes noted in photos... Suspicious... Very because it appears his vehicle wasn't secured, there no noted "Evidence Seals" showing doors were closed and no one entered his truck, so question begs to be asked, did someone go in his truck after it was towed? And in last group of evidence photos, it's noted

the pile of evidence holding the condoms she took pictures appears "placed" on top. Because in earlier photos the condoms were on floor board So Evidence was moved and manipulated, and then in final photo all evidence on the floor was moved completely away,

So we have so far.

Entrapment Lost evidence (Body Cam), Perjury to Grand Jury, Tampering with evidence, destruction of evidence, Very suspicious evidence not initially found, now showing up. Violating Craigslist TOS

Let's continue, during his hearing on bail I want down there to Frankfort KY to post his bail \$11,000, 10% is \$1,100.

But during the hearing his bond was Raised to \$50,000 cash, later to be found out it was raised that high because investigator D'hondt told Prosecutor to raise it that high because she heard" his unit is going to try and raise the bail money." Note, everyone arrested with him during sting that night all had one (1) charge pending, had their bails reduced at the hearing except my son who now had 4 counts against him and no one could or would tell us why. It's noted that he was a "trophy" for the investigator who with 2 months on the job had to prove herself and it's also noted selective prosecution. Because only his case was sent Federal because he is a soldier.

It wasn't his unit raising the money; it was me and my family. So did she violate his Civil Rights against Unreasonable high bail? Yes she did. It should also be noted she allegedly spoke with my sons Sargent, and it was stated in her report" that the soldier Is AWOL and I'm here to claim him... Well she lied again because that soldier his Sgt was in my company the entire time. . When we met him in court he stated he just arrived,, asked if he saw anyone or spoke to anyone he replied " No I just got here" So how could she claim to speak with him and use his statements when he sat behind me during bail hearing and left building with me to my sons lawyers office.

So now we have.

Entrapment Lost evidence, Perjury to Grand Jury, Tampering with Evidence, Destruction of evidence, Very suspicious Evidence not initially found, now showing up. Violations of Craigslist TOS, Violation of his civil rights, Unreasonable High bail. And Prosecutor Misconduct, and him violate my son's civil rights!

Now sir while all this is going on,, after my sons arrest she contacted the US Army and told them of my sons arrest and told them to seize His Computer and any of electronic equipment as evidence,, she also contacted Kentucky Dept. of Children and states the Children may have been abused" and the Army did as they were told.

She made statements to the military that were knowingly false because as it turns out Statements made by the "child" were verbatim made against her biological father who did abuse her. And Investigator D'hondt applied for a search Warrant "Solicitation of a minor" of which my son was not arrested for and which implies total differences in charges and manner of conduct... she was searching for a back door to circumvent the judicial system and again mislead Judge for search warrant. And she violated Federal Statue 18 U.S.C 1385 when she told them to act and seize evidence on a military base where she had NO legal representation. And Violation 10 USC 275, Restriction on Direct Participation by Military And finally during so called conversation that was monitored recorded from his phone, where there was NO mention of anything closely or remotely mentions as "sex with minors", its noted that during the conversation that was noted as taboo, Investigator D'hondt Did the notoriously famous " Bait and Switch". By as soon as conversation started, she mentioned children, and lead the conversation in terms of direction and content when stating "I have children "comment. Violating ICAC in its entirety, especially chapter 8. And as most people are aware a compliment normally expects a return in compliment. "She thinks you're cute, well I thinks she's a cutie too, doesn't infer anything more than a compliment returned. Also if you notice all answers my son returned were questions to a question. As he reported he was trying to obtain evidence to turn over to police, he stated he was going to try and convince the " mother" not to do this to her kids,, he wasn't planning on staying as noted with the McDonalds in his truck and no cash no condoms,, nothing.. a few curious side notes though,,

while he was driving through the parking lot he was recording on his phone the makes, models and plates of cars in the parking lot,,, but when all the downloads to his phone were FINALLY turned over after over 16 mos. in jail something's were noted to be missing,, the Video he took of all the cars that would have supported his initial statements..

You see Mr. Duncan... Something about the truth, it doesn't change 19 mos. later... but lies change daily. Now through multiple evidence " findings" and back and forth motions each lasting at least 3 mos. each my son is still in jail for something he attempted to stop. He used his training to protect those who couldn't protect themselves, he knows what pain is involved when someone is trafficked, as his wife was trafficked when she was younger... and he saw the pain every day. And he swore he would never allow that to happen,

Mr. Duncan you see in your job every day, some things are fluid, they change daily and quickly... but my son didn't go there to harm children he went there to save them and was arrested before he could call the cops

So now we have

Entrapment, lost Evidence (Body Camera), Perjury To Grand Jury, Tampering with Evidence, Destruction of Evidence, Very suspicious Evidence not initially found, now showing up, Violation of Craigslist TOS, Unsecured vehicle evidence, Questionable Training in Obtaining evidence, Lack of Photo Logs, Selective evidence, Violation of his civil rights against Unreasonable High Bail, Prosecutor misconduct and him Violating my sons civil rights, Violation of Federal Statue 18 U.S.C 1385. And violation of ICAC in its entirety. Especially Ch. 8

Mr. Duncan, the reason this case was Handed over to You is because as you see sir all the Misgiving in this case, it should be noted sir that when the Prosecutor and investigator found out she would be arrested during trial... the case was turned over to your office and you see why sir.

Now a few more final items and I'm sorry this is so long but my sons story and his methods were never heard, but you have the power to end this nightmare

When the US attorney's office received this case, we waited approx. 3 mos. for some discovery, and when it wasn't handed over we got the reply from your office "some evidence was lost". Sir I'm a Fire Fighter Paramedic and State Certified Fire Investigator, and as you see I read through and know my way around an investigation in terms of reading Statements, training, rules of conduct and evidence gathering, I was trained and had some classes on evidence gathering By Dr Henry Lee ,world renowned Forensic Scientist. He had always taught " if you're looking for evidence of a crime and the evidence isn't there and suddenly it shows up, be suspicious of it" Sir I'm suspicious of a lot in this case.

Lost Evidence by the Kentucky Attorney Generals office, and the US Attorney's office and the absolute Trampling of someone's freedom to make a Trophy case for someone's Future. Is unacceptable

During the last 19 mos. while reading about cases like this the violations of people's rights and the way stings are conducted... I was appalled to learn The States obtain Millions in Federal Money for Arresting People charged with these types of crimes, and The States also obtain money for arresting and housing them as well as the city or towns, and the jails. The money made but the jails for phone calls , commissary and the likes of such, It's Shocking to know that in order for some people to keep their jobs they have to make the persons their going after commit the crimes, simply at times just putting ideas or subjects in someone's view. So basically I mean you can create the problem, prosecute the problem and make an industry out of it so to speak. And then you actually get the innocent person who tries to stop a crime and he gets arrested for it. It Should also be said that I've noticed a lot of people arrested in this type of sting have NO criminal record, but are then charged and face life in prison with sex registration mandatory when they get out ,, if they get out. Also if found not guilty they have the astigmatism attached to them I've also noted since my sons arrest no other case have been sent Federal, and monitoring last few stings and notes from court, in the last group 1 person was given probation and ankle monitoring the other was given bond \$25,000 10% \$2,500,, and he had multiple Felonies dating back 10 yrs. for drugs and other issues,, but he got bond. The other 2 I haven't looked up yet.

I've read an article of an appellate judge I believe was in Florida who cited craigslist violations. "The Law Does not tolerate action to provoke a law abiding citizen to commit a crime in order to prosecute him or her with that crime"

Mr. Duncan ,, I've read in your bio that you were also responsible to ethics in law in one of your jobs,,, sir I asked you as a father of 2 sons in the military,,, where's the ethics in this..

Please sir I ask you evaluate this information, and consider dismissing the case and sending my son home,, This is in NO WAY an attempt to Hinder prosecution nor Obstruction of Justice,, it's a Fathers view of his 1st amendment right.

If you wish sir I can and will come down to Kentucky to discuss this matter as I'll be there on August 5th for a hearing with my son after all Kentucky is only 12.5 hrs. Away and 830 miles to Frankfort or feel free to contact me.

Thank you for your time and understanding Mr. Duncan

Sincerely

DANIEL ZULAWSKI GRAND JURY TAPE

Swear the Witness

Do you swear to tell the truth, the whole truth, and nothing but the truth?

I do

Please state your name for the record

Heather D'Hondt

And you are an investigator with the Attorney General's Office, correct?

Correct

You're here today in that capacity to testify regarding a Daniel Zulawski, 4360 A Dolan Street, Fort Campbell, Kentucky, and you're seeking a six (6) Count Indictment against Mr. Zulawski, four counts of unlawful electronic means to procure or produce a minor to engage in illegal sexual activities, menacing, and then resisting arrest. This all uh the dates of the allegations here are January 16th, January 17th, this was part of an ongoing investigation and why don't you tell the Grand Jury about that investigation and what played out here.

Um we had placed, or I had placed a Craig's List ad um just saying um I was offering taboo um let me put the ad in front of me, telling people that I had a couple visitors with me um to message me for more information. So Mr. Zulawski messaged me and said I am a 25 year old soldier staying at the Double Tree in Lexington all week, clean, mobile, and a heavy comer. I absolutely love incest and have always had an interest in seeking it or experiencing it for real. Message me back with details if you're interested. He gave me his Kik Id and his phone number. no mention of children

Along with that he also gave you um unsolicited, a photograph of his face as well as a photograph of his genitalia.

Correct.

4 hrs
later
You messaged him back saying you're a 30-year-old (?) mom, you have two kids, an 11-year-old daughter and a 13-year-old son.

Right.

From there the conversation switches to Kik is that correct?

Correct

His initial response is January 15, 2018, and it continues on to the 16th and 17th. Uh why don't you go ahead and kinda summarize what occurs here during these conversations.

Um so basically, I asked him if he was into taboo and he says yes that he is um he tells me that he is here from Fort Campbell doing some training. He asks if I was comfortable sending pictures, I told him that I don't send nudes, but I do send selfies, so I sent a selfie of myself and then a picture of a Lexington female police officer and a picture of another male police officer that both look fairly young. He expresses interest in myself and the children, says he has hard limits of blood, piss, that kind of stuff, and then he immediately says so how or where would you like to do this? I offered to you know I could get a hotel room and he says that he's staying at the Double Tree. Um and then I ask you know you want all of us or just certain ones and he says "figure you and me could watch them go at it while we play and then me and your son use you both". Um

Alright and then uh further on that day this is of course on the 16th asks if the kids are as excited as we are um can you talk about the discussion of the details about meeting up um January 16th at 19:42. I've never found a taboo family before but I've always wanted to find one to watch and play with, this is seriously a dream come true, smiley face. In responding to the conversations about or responding to the photos of the daughter the 11 year old, thank you she's a little cutie too and then then conversation continues onto the 17th arranging the details of his coming to Frankfort.

Returning
Compliment
Daughter says
your cute.

Correct.

Why don't you tell the Grand Jury about the details of that?

Alright let me get there.

Question from a Jury Member What exactly is Taboo?

Anything that is not of the norm as far as sexual aspects.

Well specifically your posting here um was you know into taboo, incest mom, etc. etc.

Correct

As to your prior experiences and your training and experience in these sort of Cases um it is typically something that has become of interest to suspects here.

3 months
with AG
a piece

Right, when we look for Cases like that, those are the words that I look for.

Ok, and uh obviously that's put out there and then here Mr. Zulawski initiated contact with your persona and then obviously proceeded forward with that but got ahead and tell about the arrangements as to coming to Frankfort.

Um so I tell him I have a hotel room off of the interstate, he, I said is 6 ok? It'll give me time to go home and get the kids and get back to Frankfort um I tell him that the daughter has a latex allergy, he says 6 sounds good to me.... Uhhh lets see I tell him the hotel, I tell him the address and I say its just off the interstate, he tells me, I just GPS'd it, it'll take me about 30 minutes to get there. He said he'd let us get settled, he tells me when he's on his way, and then he says when he is there I believe... yeah he sends me a message I'm here and I said I'll step out so I stepped out of the hotel room door and I watch for him to walk up and then as soon as I saw that it was him I shut the door and then the take down team went to take him down. He wouldn't comply with commands to get on the ground and he had to be placed on the ground.

closed
Door?
How can she see

Alright, you all had a stage team set up in an adjoining room

Correct

That upon the person showing up they would then gain entry

Yes

Ok tell the Grand Jury about the attempted arrest of Mr. Zulawski and any actions he took to be otherwise non-compliant or otherwise a menace.

Right, well when they told him to get on the ground, show me your hands, he bladed his body and then turned like he was reaching for like you know an item maybe behind his backside of him, he did have a handgun in the truck so

Arrested outside no entry

Thru closed
Door

His reaching behind his arms was consistent with him potentially reaching for a firearm or something

Drunk n Rt
Hand. Hands
wP

We thought maybe it could have been a weapon yes

As you stated, in his vehicle was found a loaded firearm

> Permit

A Glock 19 yes

And um was there anything else out of the ordinary in his vehicle?

Ummmm

Any cuffs?

Oh yes he did have 2 pairs of flex handcuffs Govt issue. US Army off war belt

And he was there to meet

2 children

Um through the further investigation, it was determined that he is in active duty Army I guess

Yes

Down at Fort Campbell

Fort Campbell

CID was contacted and they have um made search of his residence down there

Search began, 2 day
later, and seizure day
after Grand Jury Testimony

Yes

And are furthering their investigation in whatever County that is

Christian County

And it sounds like there will be additional charges coming out of Christian County. Um it is my understanding that upon seizure of his items um there was images of child porn found. Also he has two young children himself, 2 young girls, and as well as a stepdaughter.

None
Found!

CID got computers
Day after this statement
How could she know?

Yes

Any questions for Investigator D'Hondt?

Um as far as you mentioned his *inaudible* you say that the daughter has a latex allergy, is that so if you find him with like a special condoms you know that, you can prove that he had that intent?

None Found...veh searched

Yeah... right

1 week later found by
SI D'Hondt solo search.

Ok, any other questions? Alright thank you.
