Angela Cope,

I have investigated your FOIA request for:

- I am requesting copies of the following public records. These records & recordings are related to a non-emergency phone call and a so-called emergency requested by fire department Chief Kieth Jacob that your department supposedly transported me to a hospital from my residence at 15405 E. 11 Mile Rd Apt 34, Roseville Michigan on October 30, 2025.

I do not find anything in our ESO program (How are EMS reports are logged and then sent to our billing offices) for the date you requested above. I'm unable to send you any "records & recording" because I don't have one available. No Squad was sent to that location at that time on that date.

I have also investigated your FOIA request for:

- I'm requesting the CAD dispatch notes and Ambulance report, supposedly indicating that at 15:48 (3:48 pm) I was transported to the hospital and that you "wanted a Roseville Officer to ride with the patient at the medic to the hospital."

I again have no record in my ESO software that states we transported you to any hospital or even came to your residence on October 30, 2025, at 3:48 pm. I have no Ambulance report, "CAD dispatch notes" to provide under your FOIA request. So, if we didn't transport you on that date and time, I am unsure how I instructed that crew on that day to 'Wanted a Roseville Officer to ride with the patient at the medic to the hospital"

If you entered the wrong date and time in this FOIA request, please submit a new request with the correct date, time, and location.

Thank You
Keith Jacobs
Fire Chief

Dear Mr. Jacobs,

Subject: Freedom of Information Act Request for Public Records regarding October 30 2025 call at 3:48 pm regarding supposedly Ambulance report

This is a request under the Michigan Freedom of Information Act, MCL 15.231 et seq., to inspect or obtain copies of public records.

I am requesting copies of the following public records. These records & recordings are related to a non-emergency phone call and a so-called emergency requested by fire department Chief Kieth Jacob that your department supposedly transported me to a hospital from my residence at 15405 E. 11 Mile Rd Apt 34, Roseville Michigan on October 30, 2025.

I'm requesting the **CAD dispatch notes** and **Ambulance** report supposedly indicating that at **15:48 (3:48 pm)** I was transported to the hospital and that you, *"wanted a Roseville Officer to ride with the patient at the medic to the hospital"*

My incident around 3:44 pm to 3:48 pm on October 30, 2025 involved a noise complaint, but according to the SERESA Dispatch supervisor, Fire chief Jacobs requested that a Roseville Officer ride with the patient at the hospital.

Sincerely,
Angela Cope 248-291-4178
